OLD FREES ASSOCIATION, SINGAPORE

50th Anniversary Gathering

Dear fellow Old Free in Singapore,

We have traced our historical records, dating back to our founding in 1962 and like to share what we have with you and for us to focus on our alma mater and future directions yet again, hopefully this time, in larger numbers.

We also note that an Old Free, Mr Jalil Saad, is now Headmaster of the PFS. He has kindly accepted our invite to be our guest-of-honour and speaker. It will be a tremendous opportunity for us all to be updated on the School.

Penang Free School will be 200 years of age come 2016 and we plan to try compiling a record of prominent alumni who became integral in Singapore's progress as well as of all Old Frees. We will need everyone's input so as to be as inclusive as possible. Do a write-up of your school days and your contributions to society. We will arrange to have copies of your own archives made. We are sourcing for an Editor and are hopeful.

Please help us in logistics by sending in a cheque for \$50.00 per pax, made out to "Old Frees Association Singapore" and mail to
3 Mount Elizabeth #11-07, Singapore 228510.
